

Patient Guidance Following the Closure of Langbank GP Surgery

We would like to reassure patients that there is no need to take any action regarding your registration with The New Surgery Practice. You will remain registered, and your care will continue- now provided from the Kilmacolm site. If you choose to register with a different GP practice, we've included a list of nearby surgeries that are currently accepting new patients. Please contact the surgery directly to arrange registration. Below you'll also find the details of local Pharmacies that can support you with your prescriptions and wider healthcare needs.
